**FISCAL NOTE**

**SB 1577 – HB 1705**

March 11, 2009

**SUMMARY OF BILL:** Authorizes an exemption for local governments from the requirement to competitively bid construction management services and instead use the Request for Proposal process. Construction managers must be licensed contractors in Tennessee and must bid out any construction work coordinated under them.

**ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures – Not Significant**

**Increase Local Expenditures – Not Significant**

Assumptions:

- The Department of Commerce and Insurance will not have a significant increase in expenditures for rule-making.
- The change in the contracting process will not make contracts less competitive. As a result, the increase in local government expenditures is estimated to be not significant.
